About The Company

Earlybrite is transforming education across Africa by providing exceptional learning opportunities that prepare young minds for the future. We leverage innovative methods and technologies to create engaging, hands-on learning experiences focused on critical skills like coding, robotics, entrepreneurship, and design thinking.

Our programs accelerate talent development through mentorship and personalized guidance, offering students the chance to engage with industry leaders and gain global exposure. Earlybrite aims to drive sustainable development and economic growth across the continent. Join us in revolutionizing education and unlocking the potential of kids and teenagers.

Our Safety Policy

At Earlybrite, safety is our top priority. We are committed to ensuring a secure and nurturing environment for all participants throughout the program. To fulfill this commitment, we have implemented comprehensive safety measures and protocols, including obtaining licenses from SAFE SCHOOL Lagos and NAPTIP (National Agency for the Prohibition of Trafficking in Persons), ensuring that our program meets and exceeds stringent safety standards.

Our safety promise includes:

1) **Qualified Staff:** Our team comprises experienced and trained professionals who are dedicated to supervising and supporting participants at all times.

2) **Emergency Response:** We have a detailed emergency response plan in place, including protocols for medical emergencies, natural disasters, and other unforeseen situations. Our staff is trained to respond promptly and effectively to any emergency.

3) **Safe Accommodations:** Participants will be housed in safe and secure accommodations, with round-the-clock supervision and security measures in place.

4) **Transportation:** All transportation arrangements, including airport transfers and program-related travel, adhere to strict safety standards and regulations.

5) **Health and Well-being:** We prioritize the health and well-being of participants by providing access to medical support and ensuring a clean and hygienic environment throughout the program.

**Give your child the
world and the tools to
conquer it.**

**Earlybrite GIT + TEMP:
The ultimate journey
into the future.**
